Ms. Kristi Lauridsen provided the Board with an overview on the Gifted Learners Program. Trustee Rempel asked the Secretary Treasurer whether there was legislation to allow trustees to pass bylaws in this manner (all three readings at one meeting). The Secretary Treasurer stated that the Board can change a bylaw, and give it all three readings at one meeting. It is the Board's responsibility to develop its own bylaws as it feels necessary.

Trustee Vdovine stated that the procedure for adopting bylaws has changed. He stated that Roberts Rules of Order, in his opinion, had not been followed, and he had a number of amendments to put forward.

Trustee Ward said that she had no problem adopting the bylaw through all three readings, that it is a Trustee bylaw, and it warrants all three readings.

Following discussion the question was called on Motion **P243-07/08** which was DEFEATED.

P244-07/08 Mover: Trustee Butler
 Seconder: Trustee Rempel

"That the Board grant first reading to the Trustee Access to Information Bylaw".

Trustee Butler said that he had a problem with point 5.00 and he felt that it required amendment.

Trustee Rempel stated that the bylaw was a Board bylaw and there is no requirement for consultation. He agreed with point 3.00 as it was not fair to ask for individual reports from staff. He stated that there is no Agenda Preparation Committee, and this could be reworded.

Chair Ashlie said that the Board agreed to move the bylaw to a Board Work Day for discussion. Trustee Vdovine was not present at the Board Work Day meeting but the Board had directed how it should be dealt with.

The Vice Chair was asked to assume the Chair to permit Chair Ashlie to speak to the issue.

Trustee Ashlie said that she disagreed with the wording of point 3.00 and the word "Committee" could be removed from point 5.00.

Trustee Ward asked what would happen to a Trustee who did not follow the Code of Conduct. The Secretary Treasurer stated that the trustee could be censured by the Board.
