

---

The Board of Education supports an effective communications program as a necessary component of a public school system's operations. The Board is committed to the development, operation and maintenance of an effective communications program reflective of the school district and each of its schools.

The Board assigns the responsibility for the implementation of this policy to the

1.2 Trustees and employees making statements about the operation of the school district or a school are responsible for the accuracy and correctness of the information disseminated, and for complying with privacy legislation and school d
