
The Board of Education ("the Board") is committed to responsible stewardship of financial resources and ensuring that its financial and in-kind contributions align with its core functions. This policy will guide the Board's decision-making process

- enhancing the learning environment.
2. The Board will not provide financial or in-kind support to any of its member districts or to any external organizations, as long as they are directly related to the School District and align with its strategic priorities.
 5. The Board will review all requests for financial or in
