

School District No. 42 (SD42) meets the learning needs of approximately 16,000 students of all ages in Maple Ridge and Pitt Meadows, and is defined by its determination to keep student learning and growth at the heart of all its decisions. With an annual budget of over \$200M and over 2,000 staff, the school district provides K-12 educational services in 22 elementary schools, six secondary schools, and two alternate schools. It also provides a variety of certificate programs and relevant quality life-long learning opportunities through Ridge Meadows College and Continuing Education.

SD42 is looking for qualified applicants interested in working as a Computer/Network Technician effective as soon as possible. Reporting to the Senior Manager, Information Technology, the Computer/Network Technician works closely with other Computer/Network Technicians and Systems Analysts. This position performs technical hands-on work investigating, analyzing, assisting and completing the repair and maintenance of district computers and networking equipment.
