  - a) Enrolment Projections

## Moved/Seconded

The Secretary Treasurer reported that every year the Ministry of Education requests that school districts provides a three year enrolment projection for the purposes of projecting operating grant requirements. Projections for students enrolled in regular K-12 schools were prepared using enrolment projections from the Baragar system, three year average (grade-to-grade) transition rates and local knowledge of recent and historical enrolment trends. Enrolment for regular school age students, aboriginal education, continuing education, students with special needs and English Language Learners were explained.

THAT he Board receive the Secretary Treasurer's report on Enrolment Projections for information.
